Reporting Period: Q1 FY24 (February – March)

Notes to the Post-Confirmation Report

Notes to the PCR:

On November 9, 2023, the Bankruptcy Court entered the *Order Confirming the Modified Joint Chapter 11 Plan of Celsius Network LLC and Its Debtor Affiliates* [Docket No. 3972], pursuant to which the Bankruptcy Court approved and confirmed the *Modified Chapter 11 Plan of Reorganization of Celsius Network LLC and Its Debtor Affiliates* (the "Plan").¹ The Effective Date of the Plan occurred on January 31, 2024 [Docket No. 4289].

The Post-Confirmation Report is unaudited and does not purport to represent financial statements prepared in accordance with GAAP nor is it intended to fully reconcile the consolidated financial statements prepared by the Post-Effective Date Debtors. Information contained in the Post-Confirmation Report has been derived from the Post-Effective Date Debtors' books and records as of March 31, 2024. The Post-Effective Date Debtors have prepared this quarterly report, which covers the period from February 1, 2024 through March 31, 2024, utilizing the best information presently available to them, which has been collected, maintained, and prepared in accordance with their reporting practices during their Chapter 11 Cases. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Post-Effective Date Debtors in the future.

The Post-Effective Date Debtors reserve all rights to amend or supplement this Post-Confirmation Report in all respects, as may be necessary or appropriate. Nothing contained in this Post-Confirmation Report shall constitute a waiver of any of the Post-Effective Date Debtors' rights or an admission with respect to their Chapter 11 Cases.

Notes to PCR Part 1:

Total Cash Disbursements include Cash disbursements originating from the bank account of the relevant entity. Non-Cash securities transferred represent equity distributions of MiningCo made to Holders of Claims and is denominated in USD at a share price of \$20. Other non-Cash property transferred represents BTC and ETH distributed to creditors and is denominated in USD based on January 16, 2024 coin prices. Response to Part 1.c may include fiat amounts transferred during the relevant period as reflected in Part 3.

Notes to PCR Part 3:

The Post-Confirmation Report outlines distributions to various Holders of Claims, such as Administrative Claims, Secured Claims, Priority Claims, and General Unsecured Claims. Pursuant to the Plan, the initial distribution of assets to Holders of Account Holder Claims commenced on January 31, 2024. However, due to the ongoing reconciliation process for certain claim classes, the Post-Effective Date Debtors cannot accurately predict the total payments or Allowed Claims under the Plan. This uncertainty stems from the volatile nature of asset prices and the challenge in forecasting future prices, which directly affect the proceeds available for distribution. Consequently, "\$0" has been entered in certain columns of Part 3 where such information remains unknown, undetermined, or otherwise not applicable.

¹ Capitalized terms not defined herein have the meanings ascribed to them in the Plan. On December 27, 2023, the Bankruptcy Court entered the *Order (I) Approving the Implementation of the MiningCo Transaction and (II) Granting Related Relief* [Docket No. 4172]. The *Modified Joint Chapter 11 Plan of Reorganization of Celsius Network LLC and Its Debtor Affiliates (Conformed for MiningCo Transaction)* is available at Docket No. 4289.
